

Go Green. Stay Clean.

100% BIODEGRADABLE

GREEN

WHO WE ARE.?

- Welcome to Vegnar Greens, We take pride in offering eco-friendly solutions with our 100% biodegradable, compostable, and plastic-free bio carry bags. Designed for sustainability, our range includes bio shopping bags, medical biowaste bags, grocery bags, garbage bags, garment bags, nursery bags, and fully customizable bio bags. Each product is crafted to reduce environmental impact while maintaining durability and convenience. At Polaris Green, we are committed to a greener future, providing businesses and individuals with responsible packaging alternatives that protect our planet.
- Why our Bag?: Premium Quality, 100% Food Safe, 100% Biodegradable, No Toxic Chemicals, Degrades in 180 Days in Sunlight, Storable for 12-18 months.
- Certified: YES, CPCB, ISO, & CIPET
